This park like, very private, south facing 34 acres has perhaps the best views the Shuswap has to offer! Bastion Mountain, miles of lake scenes and Mount Ida as the backdrop for the City of Salmon Arm, the Fly Hills and skies, very awe-inspiring! Along with the astonishing scenery, the property boasts wildlife that can be observed from everywhere. Many trails lead through the mossy forests to wild flower meadows. The ambiance of this unique acreage must be seen to truly be experienced! Currently used as a home place get-away it has a small log cabin and sauna, a craft shop and other buildings. All have log or timber accents and all services are underground. With the beautiful setting, this property is the Shuswap gem and the potential for a Trophy Estate, Gated Community, Subdivision, Orchard, Vineyard or a mix. Some preliminary plans & surveys have been done with power, gas, tel & cable at the lot line or already on the property. Visit & let this one-of-a-kind property speak to you!
