Pride of ownership is obvious here. This home has been well cared for, maintained and upgraded over the years. Located on the flats of Penticton's south end, it's just a short walk to shopping and Skaha Beach isn't far. There are a total of five bedrooms and three bathrooms. Upstairs you will find beautiful hardwood floors, a great Kitchen and three bedrooms. The kitchen is equipped with pull outs in the cabinetry, stainless steel appliances, Corian counter tops and a breakfast nook. The master bedroom has a full ensuite and a walk in closet. Downstairs there is a spacious one bedroom in law/nanny suite with a separate two car driveway, as well as a fourth bedroom and welcoming foyer. A large single car garage and driveway provide plenty of parking for the main residence as well. A sun room, 2 decks and a private side yard sanctuary add to this great home. This home is quite a package and sure not to last, it even has an elevator!
